------:0:------

Thos Duncan.

Registrar.

Palace Road,

Bangalore, 8th June 1917.

Dear Mr. Denham,

In reply to the Registrar's letter enclosing an enquiry by Government regarding possible disturbance of the College work consequent on the operation of the Indian Defence Force Act, I think I had better tell you, unofficially, how the situation appears to stand.

Of the College staff, MacAlpine is an active service officer, Class A, liable for service, unless exempted, anywhere in India. He is an exceptionally efficient officer, and greatly coveted by the military authorities on that account. I am a private soldier, classed A medically. Usher ordered for medical re-examination :x: and Sell are also privates, both classed B. It was thought, at first, that class B men could be employed only for local defence; but it now appears that they are equally liable with "A" men to be moved.

If we are not moved, the military service required of us is attendance at 90 hours of parade, and musketry. The drills are to be 6-30 - 7-30 A.M. and 5-30 - 6-30 P.M. (winter, and 6 and 7 slight excess) except on Thursdays and Sundays, when there is only one parade. I have now done about 40 hours on my 90; at this rate I should finish the preliminary training about the middle of July. After that, "A" men have to do 4 parades a week, and "B" men 2 parades a week, as far as I can understand.- Now, this is all right during vacation; but when term starts it is going to be a bit of a strain, as you can see. However, we don't want to quit it, and will stick it out.

If any of us should be moved, the situation is very grave. I understand that no time limit is to be guaranteed [illegible] as to one's locality. At first, on the 3-in-4

(23

enclosed in his speech, it was intended that men shifted from their civil work should be kept away for only 2 or 3 months, but if no such guarantee is offered, and men shifted will be shifted at the discretion of the War. If this is done with any member of the College staff, it will mean the disorganisation of at least one Department of the College. What Government should very definitely, room for, is the exemption of all four of us from other than purely local service. I understand that there is more than a possibility that some of us will be reprieved. Government should be very ready then to obtain the exemption recommended for the four of us. The College cannot afford, just now, to lose the services of any one of us. - I believe our cases will come up before the first Assistant Resident's Selection Committee, - but whom I do not know.

As regards the Engineering Courses' Committee, the sittings will commence as soon as the other three members return from Simla - probably on Tuesday next.

With kind regards to yourself and Mrs. Denham

Yours sincerely,

Sd/- C.C. Notcutt.
